TRAINING

HEXIS Car Wrapping Course

- > This comprehensive training course will teach participants all the «tricks» to learn how to optimise the handling of our wrapping films:

Programme:

- > Introduction to the world of adhesive vinyl, how to choose a media based on its application, the types of adhesives, temperatures.
- > Calculation of the amount vinyl needed to wrap a car
- > Tools and accessories required
- > Preparation of the vehicle: liquids and cleaners to use
- > Specific application techniques for HX20000 and HX30000
- > Finishing touches and cuts

Maximum number of participants:

- > 6 per car (max. 12/trainer)

Duration of the course:

- > 2 days

ACCESSORIES

> Cleaner System "1 - 2 - 3"

> Laser Wash

> Eclat'Max polish

> Testing pen

> Steinel® hot air gun

> Laser thermometer

> Wrap magnet

> Tool wristband
